

God's Letter To You

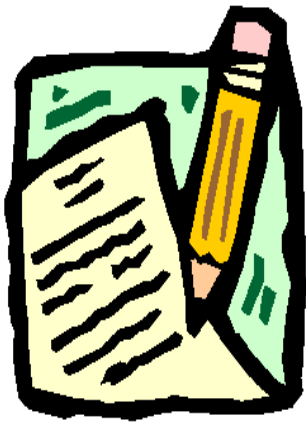

God's Letter To You

To Someone Special...

Before you were born, God sent a *letter* to you.

In it, He told you the *most important things* you would ever need to know in your whole life.

He explains in that letter:

- ◆ *Who made you.*
- ◆ *Why you were created.*
- ◆ *How you could have joy and peace in your life.*
- ◆ *How to recognize true friends.*
- ◆ *What you should do to meet Him and become His child.*
 - ◆ *How to treat others.*
 - ◆ *What Heaven is like.*
 - ◆ *How to get to Heaven.*
- ◆ *How to have the best life on earth.*
- ◆ *How to take care of yourself and respect yourself.*
 - ◆ *Why you are a precious treasure to Him.*

When you read the words in God's letter, and let them come alive in your heart, you will be free to be the special person God wants you to be.

You will be *free* to receive God's blessings and to turn away from the things that are bad for you.

You will have *wisdom* from God to make right decisions and choose the right paths for your life.

God's letter is the most important thing you will ever read!

And because of that, *Satan* – who is the enemy of God and of all God's children – does not want you to read God's letter. Satan will try to prevent this letter from getting into your hands. If you get it, Satan will try to *distract* you from opening it and reading it. If you do read it, he will try to convince you it doesn't really apply to you but maybe to someone else. Satan doesn't want you to learn the truths that God wants you to know.

What is this letter?

It is the *Holy Bible* – the inspired Word of God.
It is the most awesome letter you'll ever read.

Make time to read God's letter. *Read it* from beginning to end, leaving nothing out. God will teach you with *stories*, *songs*, and *adventures*. He has so many exciting things to tell you, the letter is actually a whole book in length.

When you read God's letter, He will bless it to your heart, mind, and soul. But that can only happen if you open the Bible and ask God to begin to teach you about what is written there. *He's been waiting all your life to do just that!*

*"Your Word is a lamp to my feet and a light for my path."
Psalm 119: 105*

*Thank you, Lord, for giving me this wonderful letter.
Help me to understand it and apply it in my life.
In Jesus' name, Amen.*
